LETTER OF RECOMMENDATION

20 September 2024

To Whom It May Concern,

I am pleased to write this letter of recommendation for Kidus Amanuel, who has successfully completed a two-month internship at Hulenta Technology Development Services PLC (Softnet Solutions™). During this period, he was engaged in a project titled "Pi School Timetable Generation System."

He demonstrated exceptional commitment, technical skill, and teamwork throughout the internship. He quickly adapted to our company's work culture and contributed significantly to the development of the project. His ability to understand the requirements, design effective solutions, and professionally implement them was commendable.

The "Pi School Timetable Generation System" project required advanced problem-solving, algorithmic thinking, and attention to detail. He approached this complex task with diligence, strong programming skills, and a proactive mindset. His effective communication and teamwork significantly contributed to the project's success, and his dedication made them valuable assets. I am confident his experience will benefit him in future roles and highly recommend him for any career he chooses to pursue.

Sincerely,

Eyoas Adefris
CEO
